**Ion Footbath Detoxification:** This is the most relaxing way to get rid of the toxins present in the body. You just have to sit on the chair, with your feet dipped into the water container. A flow of warm water will flow under your feet and the positive and negative ions in the water will attach themselves to the toxins present in the body. Toxins that are insoluble will also dissolve in this water

### **What is Colon Hydrotherapy?**

Colon Hydrotherapy (Colonic) is the safe effective method of removing waste from the large intestine, without use of drugs. By introducing filtered and purified temperature regulated water into the colon, the waste is softened and loosened, resulting in evacuation through natural peristalsis.

Maintain health by eliminating toxins; help reduce acne, I.B.S., help depression, bloating, gas, allergies and heart burn, lymph drainage.

### **Massage has been shown to:**

- Decreases stress
- Increase circulation
- Release muscle tightness
- Improve joint range of motion and flexibility
- Diminish aches and pains
- Reduce anxiety and depression associated with stress

**Microdermabrasion** is a simple non-invasive technique. that improves the overall texture tone and clarity of the skin.

One treatment will freshen the skin giving it a healthy glow.

The Microdermabrasion removes dead surface skin cells and initiates cellular turnover at the dermal & epidermal levels.

This treatment process improves skin collagen, texture, hyperpigmentation and overall appearance.

As with other skin rejuvenation techniques results will improve with a series of treatment.

**Teeth Whitening** using Beaming White is a self-administered treatment utilizing the latest UV blue light whitening technology. Studies have confirmed that heat and light represent the main catalysts for the whitening process. With our treatment your smile will be noticeably whiter in just 30 minutes. It's effective, safe and affordable! Why pay hundreds of dollars when you can get Beaming White's professional teeth whitening service for our special introductory price of just \$79!
